Gunsen "Feel Like Kitana" Prime

Introduction:

Playstyle:

Mod Explanations:

Building for Other Factions

Synergies:

Additional Media:

Hello there,

And here I have for you something **absolutely, amazing, unbelievable... repetitive...** you can't fuck up anything here, melee weapons are made almost all exactly the same... feel this boredom?

A little note here... there are some **meta slaves** here who are absolutely **shitting themselves right now** because this is **one of the most powerful melee** weapons in the game right now.

Anyway...

Enjoy!
